Hamilton DCD-18

A Drive-Up Drawer That Delivers

The DCD-18 is so easy to operate and performs so smoothly that it's hard to believe it has these tough features:

- Provides extraordinary protection and security for employees
- Eliminates direct contact from the outside
- Keeps out wind, rain, snow
- Eliminates “wind tunnel” effect common with open windows
- Reduces insects attracted by inside lighting
- Easier to operate than standard windows
- Bullet resistive up to 357 Magnum and shotgun blasts—UL approved level 3
- Available as a stand alone unit or with bullet resistive glass window
