

Are You Happy with Your Service? Our Customers Are... ...what **BranchServ** Customers say about Our Service Team.

WE ARE RESPONSIVE

"The Service Tech listened carefully and was very responsive to our needs. He communicated what he was doing, told us when he would be back and gave us contact info so we could reach him."

"The Service Tech was able to immediately resolve our issue, and even called on his way here to give me some tips for a resolution before he arrived. Excellent service!"

"The Service Tech went above and beyond the call of duty! He arrived just 30 minutes after my email."

WE ARE KNOWLEDGEABLE AND PROFESSIONAL

"The Service Tech is ALWAYS prompt, courteous, knowledgeable, and never leaves without giving us 120 percent."

"Experience and wisdom go a long way! We could not ask for a more competent tech!"

"There is no job he can't get done and for which he is not prepared."

WE GET THE JOB DONE RIGHT... THE FIRST TIME

"The technician was very knowledgeable regarding the equipment and able to quickly identify the problem. He was also very prompt with the resolution - the job was completed today. Thank you."

"The Service Tech was very knowledgeable and fixed our ATM immediately. His service was outstanding and I am very pleased with the quick response."

"Pleasant, knowledgeable. Did the job immediately when we thought it would take a few days. The service exceeded our expectations."

BRANCHSERV SERVICE PROGRAM SOLUTIONS

BranchServ has pioneered the concept of customized site service, offering a range of service programs to meet every client need. Designed to offer a single point-of-contact and reduce overall branch equipment costs, these programs minimize downtime, maintain industry and client security standards and enhance the end-customer experience.

With the fastest response times and the highest first-time completion rates, BranchServ leads the industry in client satisfaction. Programs are always custom-configured to the individual service needs of the client's branch network.

WE PUT THE INTERESTS OF THE CLIENT ABOVE ALL

"The Service Tech doesn't want to fix the problem; he wants to fix it so it does not break again."

"The Service Tech is very knowledgeable about all procedures with our bank."

"The Service Tech offered several solutions that would save money before drilling the vault."
